

Hello, City of Walker Resident!

Waste Management is pleased to offer **Curbside Service Guidelines** for **Yard** and **Bulky Waste**.

Follow these **Simple Rules** for **efficient** curbside collection.

6 FT x 3 FT x 3 FT = 2 cubic yards

Waste Management will collect up to **2 cubic yards**

of bulky waste outside of your garbage container per collection. All loose waste, debris or rubbish outside of your garbage container must be bagged or containerized and **not to exceed 35 pounds** in weight.

Acceptable items for **Yard and Bulky Waste Curbside Service** include: pine needles, leaves, shrub trimmings, branches, limbs, furniture. These items should be placed curbside with your garbage collection.

IMPORTANT curbside service **guidelines** and **contact numbers**

YARD & GREEN WASTE

Grass, leaves, flowers, stalks, stems, stumps, roots, pine needles, twigs, palm fronds, and tree/shrub trimmings must be bagged, bundled or containerized to ensure curbside collection.

All tree limbs must be bundled and tied together forming an easily handled package **not to exceed 4 feet in length** or **12 inches in diameter** or **35 pounds** in weight.

4 FT length x 12 inches diameter

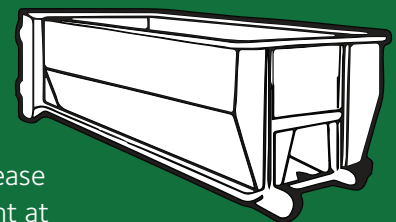

BULKY WASTE

Waste such as furniture is collected weekly along with your bagged and containerized yard waste. Bulky waste is **not to exceed 35 pounds**.
